Chris Harman present a history of the world, a social history documenting the struggles of people the world over from 3000BC right through to the new millennium. It is a beautiful and admirable volume, packed with interesting facts about the inherent fairness of humanity and our desire to work together to create a better society.

UNITED STATES | Kirkus Reviews

Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools--with its emphasis on great men in high places--to focus on the street, the home, and the, workplace.
