LibriVox is a unique platform, where you can rather download free audiobooks. The audiobooks are read by volunteers from all over the world and are free to listen on your mobile device, iPODs, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete.

American Students Organize Founding The

Believing strongly in the nation's founding principles of liberty and justice for all, they brought this vision into their religious, social, and political organizations-and into the halls of student government. American Students Organize puts a human face on that pivotal time in American higher education-the time of the Cold War and the Red Scare, of the desegregation of the campus and of social organizations, and, especially, of creative engagement by students in civic and world affairs ...
