### Control Of Communicable Diseases Manual 18th Edition ...

It is not meant to be a comprehensive clinical manual on each disease. The website, when completed, will provide an easy mechanism for more timely updates in this rapidly evolving field. Audience: The targeted audience includes anyone whose concern is the control of communicable diseases. Its size and the breadth of content make it ideal to literally take into the field, but it is also intended for use by front line communicable disease control staff in any public health authority's office.
