It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

1974 Ford Maverick technical and mechanical specifications
The 1974 Maverick Grabber was, as the heading implies, a little sporty. Not a lot, mind you, that was reserved for the then-new Mustang II. However, with an available 140 horsepower, 302 cubic inch V8 and an optional manual transmission as well as a curb weight of only 2,900 pounds, it certainly wasn't slow for the time.
