Amazon.com: Freaking Freak eBook: Jacks, Jon: Kindle Store

An average read The book, Freaking Freak, was really creative and has a quite unique plot. Jon Jacks has a great writing style throughout the book. One major problem I had was the lack of character developing with Jackie. I was confused about what really drove her to do some of the things she did.

"Pick up your freakin' phone" is an honest, realistic and yet, very inspiring look at what it's like to be an entrepreneur. I picked up Darrell's book after his talk at a local conference, and I literally started reading it right then and there, and in just a few short chapters I found so many things that I could start applying in my business right away.
