New Curriculum Assessment Science Year 3: 9781846809620 ...

With the New Curriculum in force and Levels gone I have taken it upon myself to create a new assessment grid for Science. It works the same way as an APP grid. It also includes the Working Scientifically criteria. Like the New Curriculum, each assessment grid has been grouped into age ranges, KS1, Lower KS2 and Upper KS2.

Science Assessment in the New Curriculum | Teaching Resources

We have created our own assessment document for Science on an excel spreadsheet which lists the curriculum statements for each year group down the side, with the children's names across the top. We periodically assess them against this using the criteria. 1 - working below age related expectations. 2 - developing independence. 3 - securing. 4 ...
