Research Paper

Nonverbal communication often expresses the feelings that we cannot put into words. Verbal communication allows us to convey our thoughts and opinions to others in a clear way. These go hand in hand as people use both during conversation to not only speak their mind, but to express the emotion tied to those

Nonverbal communication is all around us in the sports world today. Many people don't realize the importance of communicating without speaking in sports games. "We can define nonverbal communication as those behaviors and characteristics that convey meaning without the use of words" (Floyd, 2013, p. 104).
