Sites Of Vision The Discursive

The fourteen contributors to Sites of Vision explore the hypothesis that the nature of visual perception about which philosophers talk must be explicitly recognized as a discursive construction, indeed a historical construction, in philosophical discourse.

Because the history of

Download Free Sites Of Vision

vision is so pervasively reflected in the history of philosophy, it is possible for both vision and thought to achieve a greater awareness of their genealogy through the history of philosophy. The fourteen contributors to Sites of Vision explore the hypothesis that the nature of visual perception about which philosophers talk must be explicitly recognized as a
