AbeBooks.com: The Body Is the Hero (9780394400136) by Ronald J. Glasser, MD and a great selection of similar New, Used and Collectible Books available now at great prices.

**9780394400136: The Body Is the Hero - AbeBooks - Ronald J ...**  
Glasser paints an incredibly vivid mental image of lymphocytes, antigens, macrophages, white cells, etc. using layman's terms and with excellent practical examples. Medicines don't cure our bodies - our bodies cure themselves. The Body is the Hero is a brilliant explanation of how the body does it. I am going to recommend this book to everyone I know.

**Amazon.com: Customer reviews: The Body Is the Hero**  
The Body is the Hero Those tremendous volumes give us the ability to run, to keep enough oxygen and sugar moving to our legs and arms so that our muscles can move even after hours of continuous effort. But the price we have to pay for all this quickness and power is a severe one.

"In The Hero's Body, William Giraldi offers a smart, mournful meditation on what it means to be a man at this point in human history when heroic size and strength suddenly count for less, leaving men who pride themselves on such vestigial masculine qualities untethered to both the culture and themselves. Must reading, and not just for men."
